The **Code** sets out the mandatory requirements each member of the **Directory of Developers** must adhere to when marketing and selling their **Homes**. It is designed to make the **Home** selling process fair and transparent to the **Buyer**.
- 1.2.2 For the avoidance of doubt, every **Developer** who avails of a **Warranty Provider** insurance policy, agrees to subscribe to and comply with the **Code**.
- 1.2.3 The **Code** is designed to ensure that a **Buyer** of a new or newly converted **Home**, built by a member of the **Directory of Developers**:
- 1.2.3.1 Is treated fairly by the **Developer** at all times;
 - 1.2.3.2 Can be assured that their individual circumstance, particularly if they are **Vulnerable** (will not preclude them from receiving high levels of customer service);

The **Code** contains a number of specific terms, which are highlighted in bold and defined in the Glossary of Terms at the beginning of this document.

In signing and agreeing to be bound by the rules of the **Code**, the **Developer** must honour any sanction made against them as part of the **Dispute Resolution Scheme (DRS)**. Any **Developer** found to be in serious breach of the **Code**,

will be liable to a range of sanctions (which may include their removal from the **Directory of Developers**, their potential ineligibility for a future **Warranty** policy and/or a mortgage for the **Home**).

1.2.6 For **Disputes** outside of the remit of the **Warranty** policy, the **Dispute Resolution Scheme (DRS)**, as detailed in clause 28 of the **Code**, is available to any **Buyer** on submission of a written complaint made within the 24 (twenty-four) months of the practical **Completion** date.

1.2.7 The **Warranty Provider** will conduct continual audits, customer surveys and other statistical evaluations (including mystery shopping surveys, member self-assessments and analysis of customer complaints) to assess how well the **Code** is being applied. This data will be used to inform:

19. 14 DAYS COOLING OFF PERIOD

- 19.1 The New Home Warranty Code provides protection for buyers of new homes. One of the key provisions is the 14-day cooling-off period. This period allows buyers to change their minds after signing a reservation agreement without incurring penalties or losing their reservation deposit.

19.2 The cooling-off period begins once the reservation agreement is signed, giving buyers the opportunity to cancel the agreement within 14 days. If a buyer chooses to cancel during this time, they can receive a full refund of their reservation fee by providing written notice to the developer or builder.

19.3 This provision is designed to give buyers the time and space to make a well-informed decision about purchasing a new home, recognising that it is a significant financial commitment. It's important to review the terms of the reservation agreement carefully, as there may be specific conditions or exceptions related to the refund.

20. DOCUMENTATION ON COMPLETION

20.1 The **Developer** will provide an information pack to the **Buyer**. This should include, as a minimum:

20.1.1 The **Warranty Provider** policy documents. An explanation should be provided if the documents are not available;

21. AFTER CONTRACT EXCHANGE

21.1 Should a change occur to the design, construction, or materials to be used in the **Home**, which will materially alter its value, the **Developer** must formally consult the **Buyer** and obtain their written consent to such changes.

21.2 Where the alterations materially affect the value of the **Home** and the **Buyer** does not agree with those alterations, they may cancel the **Contract** without loss of deposit or the withholding of any fees.

- 21.3 The **Developer** must inform the **Buyer** that the **Reservation Fee** is held in a deposit account in trust and cannot be accessed by the **Developer** until **Completion**, when the conditions of the sale have been satisfied.
- 21.4 Minor changes, which do not significantly or substantially alter the size, appearance, or value of the **Home**, should still be communicated to the **Buyer**. In these circumstances, the **Buyer's** written agreement is not required. However, the **Buyer** should be told to consult with their solicitor (**Independent Advisor**) as the changes may affect the **Home**.
- 21.5 Should the **Buyer** have requested changes to the **Home** (and have agreed to pay for the changes that are not included in the **Reservation Agreement** or the **Contract of Sale**) these changes must be agreed in writing between both parties. This written agreement should include:
- 21.5.1 **Specification** of cancellation and refund rights;
 - 21.5.2 The estimated impact on the date of **Completion**; and
 - 21.5.3 Revised date (if necessary) that the **Home** will be available for occupancy.

22. COMPLETION AND HANDOVER

- 22.1 The **Developer** must provide the **Buyer** with a schedule detailing the timing of key stages, including **Completion** and the date the **Home** will be ready for occupancy. These details should be part of the **Buyer** Information Pack. It is the responsibility of the **Developer** to regularly update the content of the **Buyer** Information Pack and to ensure all details are accurate at the time of inclusion.
- 22.2 The point at which the **Developer** tells the **Buyer** that the **Home** is ready for handover, will be informed by the build stage that the **Home** is at, at the time of notification. The **Developer** may communicate such staged guidance to the **Buyer**, at established points in the build development, for example:
- 22.2.1 The expected quarter of the year in which **Completion** is anticipated, typically when the foundations are to be poured;
 - 22.2.2 The month of **Completion**, typically when the roof and weatherproofing is completed; and

22.2.3 The week of **Completion**, typically when the decoration is complete, and the main services are connected.

22.3 The handover of the **Home** to the **Buyer** should be a thorough and detailed process, where any outstanding work within the **Home** or to any other areas of the development, which may affect the **Home**, are identified, and communicated to the **Buyer**.

22.4 At this point, the **Developer** must provide the **Buyer** of the **Home** with:

22.4.1 Guidance on what **Snagging** is and how to address any **Snagging** issues which are discovered;

22.4.7 Full details of any after sales services, including contact details, length of cover and emergency procedures; and

22.4.8 Details of the **Dispute Resolution Scheme (DRS)**.

23. AFTER-SALES SERVICE

23.1 The **Developer** will provide the **Buyer** with a comprehensive after sales pack, which includes the following information:

23.1.1 The contact details for the **Developer** in relation to the after sales service;

23.1.2 The process for handling any emergencies;

- 23.1.3 Details of the guarantees and warranties that may apply to the **Home**; and
- 23.1.4 Details of the duration and extent of the after sales service.
- 23.2 The **Developer** must not use premium rate telephone numbers for the after sales service, but instead provide a national or local rate number if a free phone number is unavailable.
- 23.3 All guarantees, warranties, instruction manuals, etc. for components (e.g. white goods, boilers, etc.) which are not part of the **Material Fabric** of the **Home**, should be given to the **Buyer** on **Completion**.
- 23.4 Should it be necessary for the **Developer** to visit the **Home** to carry out works after **Buyer** occupancy, the **Developer** should:

 - 23.4.2 Ensure a responsible adult can be present to represent the **Buyer**;
 - 23.4.3 Not enter the **Home** if a responsible adult is not available (at the pre-arranged time) to represent the **Buyer**, but instead arrange an alternative time; and
 - 23.4.4 Provide identification prior to entering the **Home**.
- 23.5 Once entry to the **Home** has been gained, the **Developer** should:

 - 23.5.2 Be compliant to any reasonable requests of the **Buyer** or their representative;
 - 23.5.3 Ensure that appropriate care is taken whilst in the **Home**, (such as covering floor surfaces etc);
 - 23.5.4 Ensure that the **Home** is left clean and tidy and that all debris etc. is removed;
 - 23.5.5 Not smoke in the **Home** (save with the **Buyers** express consent); and
 - 23.5.6 Always act in a professional and considerate manner.

24. COMPLAINTS AND DISPUTES

- 24.1 The **Developer** must have a system and procedure in place for receiving, handling and resolving complaints, service calls and **Disputes**.

24.2 The **Developer** must inform the **Buyer** how to access these systems, processes, and procedures.

24.3 The complaints procedure should clarify that the **Developer**:

24.3.1 Must acknowledge the **Buyer's** complaint within 14 (fourteen) days of receipt;

24.3.2 Responded to the **Buyer** within 30 (thirty) days of the complaint being made, with an estimate of the extent of the remedial work and timescales for **Completion**; and

24.3.3 Will inform the **Buyer** at the earliest possible opportunity if the time frame needs to be extended by the **Developer** and the reason for the delay.

24.4 The **Developer** should provide the **Buyer** with a copy of the **Dispute Resolution Scheme (DRS)** operated as part of this **Code**. It should be made clear within this document that the **Dispute Resolution Scheme (DRS)** can only deal with matters as defined in Clause 2 – Scope of the **Code**.

25. DEFINITION OF A DISPUTE

25.1 A **Dispute** can occur if the **Developer** has failed to comply with the requirements of the **Code** and as a result, the **Buyer** believes they have suffered:

25.1.1 A financial loss;

25.1.2 Emotional distress; and/or

25.1.3 Inconvenience.

25.2 The **Buyer** may then refer the **Dispute** to either **Dispute Resolution Scheme (DRS)** which is adjudicated by **The Property Ombudsman Limited**.

25.3 The **Dispute Resolution Scheme (DRS)** is the process by which the **Dispute** will be resolved.

25.4 A **Dispute** covered by the **Code** does not include any **Dispute** covered by the **Warranty Provider** policy or between the **Warranty Provider** and the **Buyer**, or any matter that does not fall within the scope of the **Code**.

25.5 In terms of the **Dispute** process, the **Buyer** must first complain in writing to the **Developer** and give the **Developer** an opportunity to remedy the complaint as per the **Developer's** complaints procedure. If the **Buyer** is not satisfied with the

outcome of the **Developer's** response or does not receive a response from the **Developer** within 56 (fifty-six) calendar days, the **Buyer** may refer the complaint to the **Dispute Resolution Scheme (DRS)**.

26. CO-OPERATION WITH PROFESSIONAL ADVISORS

26.1 The **Developer** must fully co-operate with appropriately qualified **Agent** appointed by the **Buyer** to resolve the **Dispute**.

26.2 The **Developer** must provide the same level of co-operation to any intermediary **Agent** appointed by the **Buyer**, as they would offer to the **Buyer**.

27. DISPUTE RESOLUTION SCHEME (DRS)

27.1 The **Dispute Resolution Scheme (DRS)** is independent of the **Developer** and of the **Warranty Provider**. Any matter referred to this scheme is solely regarding a **Dispute** under the **Code**. Decisions are not insured under the **Warranty Provider** policy.

27.2 The **Buyer** may refer a **Dispute** to the **Dispute Resolution Scheme (DRS)** within 30 (thirty) days of receiving a final response from the **Developer**.

27.3 Any conciliation or **Adjudication** will be an independent process conducted by the offices of **The Property Ombudsman** under the **Dispute Resolution Scheme (DRS)** (<https://www.tpos.co.uk>) at no cost to the **Buyer**.

27.4 The **Adjudicator** will decide if the **Buyer** has a legitimate **Dispute** and if so, will decide if they have suffered financial loss, and/or emotional distress and/or inconvenience because of the **Developer's** breach of the **Code**. The **Adjudicator** will quantify the financial loss.

27.5 The **Developer** must:

27.5.1 Comply with the **Adjudicator's** decision(s), accepted by the **Buyer** and is/are within the remit of the **Code**;

27.5.2 Pay the **Buyer** the amount which the **Adjudicator** has awarded; and

27.5.3 Pay such an award within the time frame stated by the **Adjudicator**.

27.6 The **Adjudicator** may impose an award or decision, including the following: 27.6.1 A financial award of up to 25% of the **Purchase Price** of the **Home** subject to a maximum of £50,000.00 (inclusive of VAT) from the **Developer**;

- 27.6.2 **Completion** of the work required to the **Home** which is agreed by the **Adjudicator** and falls within the financial limits of the **Dispute**;
- 27.6.3 A combination of financial compensation and **Completion** of the work to the **Home** within the financial limits of a **Dispute**;
- 27.6.4 Discretionary compensation for inconvenience, of up to £1,000.00; 27.6.5 May rule that the complaint is not substantiated and reject the **Dispute**;
- 27.6.6 Refer the **Developer** to the Disciplinary and Sanctions panel.

28. DISPUTE RESOLUTION SCHEME ADJUDICATION PROCESS

28.1 Escalation Process Overview:

The escalation of complaints follows these steps:

- 28.1.1 Complaints are first raised with the Developer using their complaints procedure;
- 28.1.2 If unresolved, complaints are escalated to the **Dispute Resolution Scheme (DRS)** within 30 days of the **Developer's** final response;
- 28.1.3 The DRS **Adjudication** is carried out by **The Property Ombudsman**, who reviews evidence and issues a binding resolution.

28.2 The **Buyer** must:

- 28.2.1 Complete an application form;
- 28.2.2 Send the completed form to the **Dispute Resolution Scheme (DRS)**;
- 28.2.3 Include all supporting evidence, including copies of receipts and/or invoices.

28.3 The **Adjudicator** will:

- 28.3.1 Ask the **Developer** to respond to the **Buyers** statement;
- 28.3.2 Facilitate the **Developer** in resolving the **Dispute** as and **Early Settlement**.

28.4 The cost to the **Developer** for **Early Settlement** is £250.00. In the event that **Early Settlement** does not happen, the **Developer** must:

- 28.4.1 Submit a response to the **Buyers** statement; and
- 28.4.2 Include a payment of £500.00 (plus VAT).

28.5 The **Buyer** will then be given a copy of the **Developer's** statement and asked to respond. At this stage in the process the **Buyer** cannot make any further

complaint about the **Dispute**.

28.6 The **Adjudicator** will:

28.6.1 Review all written statements submitted by both parties;

28.6.2 Decide if the **Buyer** has a bona fide claim;

28.6.3 Quantify any financial loss and/or emotional distress and/or inconvenience because of the **Developer's** breach of the **Code**; and

28.6.4 Make a decision or award and communicate this to both parties.

28.7 The **Adjudicator's** decision is final and cannot be appealed. It can only be accepted or rejected by the **Buyer**. If the **Buyer** is not happy with the decision their next step would be to pursue legal action.

28.8 Both parties will act in good faith and have mind of the proportionality of any costs.

29. AWARDS ACCEPTANCE, REFUSAL AND LIABILITY

29.1 The **Developer** who has signed the **Membership Rules** and who has taken out a **Warranty Provider** policy is required to honour any award made against them under the **Dispute Resolution Scheme (DRS)**. If the **Buyer** accepts such a reward, the courts may recognise this as evidence that the claim was valid. Likewise, should the **Buyer** refuse to accept any subsequent award, a court may take cognisance of the **Adjudication** process.

29.2 The **Developer** remains liable to pay the **Adjudicator's** award, even if the **Warranty Provider** decline to quote for any further business.

29.3 Under the **Membership Rules**, the **Developer** agrees to comply with the terms and conditions of the **Code** and to honour any decision given as a result of the **Dispute Resolution Scheme (DRS)**. In the event that the **Developer** refuses to accept such an award the **Warranty Provider** (at its sole discretion) may choose to take legal action against the **Developer** to enforce the **Membership Rules**.

30. DISCIPLINARY AND SANTIONS PANEL

30.1 Breaches of the **Code** are treated seriously by the **Warranty Provider**. The **Warranty Provider** at its sole discretion, may refer the **Developer** to the panel

should they have been convicted of an offence (or signed for a formal caution) under regulation 12 and schedule 1, paragraph 4 of the **Digital Markets, Competition and Consumers Act**.

30.2 Where required, the **Warranty Provider** may convene a Disciplinary and Sanctions Panel. The panel will include any 3 (three) people from the bodies listed below:

30.2.1 2 Insurance professionals;

30.2.2 A trading standards professional;

30.2.3 A construction industry professional; and 30.2.4 A surveyor or engineer (RICS, CIOB's professional).

30.3 The panel will also appoint a Chairperson.

30.4 In the event the **Developer** fails to comply with the decision of the panel, the following are examples of the possible sanctions that the panel may recommend:

30.4.1 A training or improvement regime to be adopted by the **Developer**. This will be designed to reinforce the meaning of the **Code** and to put in place systems; or

30.4.2 A requirement that the member takes additional measures (either temporarily or permanently). This could entail a change in working practices;

30.4.3 Fines for breaches of the **Code**;

30.4.4 That **Warranty Provider** refuses to quote for any new business;

30.4.5 Dissemination of the **Developer's** refusal to honour its obligations to the **Code** to other **Warranty provider's**;

30.4.6 Suspension of the **Warranty Membership**;

30.4.7 Termination of the **Warranty Membership**; or

30.4.8 The **Warranty Provider** takes legal action against the **Developer** for the breach of the **Code**.
